

# Back-to-School Fundraiser

A vertical thermometer graphic with a blue bulb at the bottom and a scale of horizontal lines for recording goals. The thermometer has a blue outline and a blue bulb. The scale consists of 12 horizontal lines, each with a small tick mark on the left side. The lines are intended for recording fundraising goals.

NSPN provides quality training and technical support for youth and family service organizations across the country.

As a membership organization, NSPN offers an array of services tailored to meet agency needs in the most cost-efficient manner.

Make NSPN your network by joining today at [nspnetwork.org/join](http://nspnetwork.org/join).

## Directions:

- Download and print
- Enter your goals on the lines provided
- Cut your goal chart out using the dotted lines as a guide
- Post in your office or a community room to share with staff
- Color in your chart as you meet the goals you have identified

## Good luck on your fundraising!

Thank you for your dedication to serving youth and families and for helping create a world where all youth are safe.
